In Home Training

Sometimes the need arises to observe and work with the dog owner team in the home setting. This can range to work on basic manner to aggression to separation anxiety. I will work with you to create a personalized behavior and training program that you are comfortable with and that will produce results.

Group classes are held indoors at both the San Luis Obispo Veteran's Hall and the Los Osos Red Barn. Classes are kept small to insure personal attention. Usually 6-8 dogs, so enroll today!
